

To Whom it May Concern:

I wanted to weigh in on the meeting that Cody Hudson and Robert Espinoza is having with various DSC folks on August 18, 2021. I certainly want to be present for this session as the concerns of our New Mexico Chapter brothers is vital for the future of all hunters in the USA.

I have had several conversations with both Cody and Robert about their concerns of which it is the front line of concerns as DSC continues to grow across the country.

I do not want anyone to think that the meeting was a low priority for me, it is one and a half weeks out of our DSC banquet on August 28, 2021! It is all hands-on deck right now and our banquet is shaping up nicely! I simply have to be here everyday hard at it. I know everyone present at the meeting will agree with me that Cody and Robert are spot on with their concerns about the hunting future in our country.

Sincerely,
