POKER CHIP GAME \$1 to \$200

Each poker chip will be numbered 1-100 and be placed in a bag so no one can see them. You will then pick a poker chip from the bag, whatever number is on the poker chip is the amount you pay for the chance to win the

Fully Guided Antelope Hunt in Southern NM

For example: you pick the poker chip with the number 7 on it; you will pay \$7 for your chance to win.

*Good luck there will only be **200** poker chips available!*

Get yours before they run out!

Please leave poker chips on the table for our staff to collect. Thank You
